

2024 Annual Report

2024 saw continued growth in funds raised, grants awarded, and end of year assets by the Cottage Grove Community Foundation. In addition to our traditional operation, we were able to support a fundraising initiative for a memorial that raised close to \$38,000 that the family donated back to the national foundation for ALK research.

As we complete our fifth year committed to the betterment of Cottage Grove through charitable giving, we would like to thank our sponsors, donors and volunteers that have made our vision a reality. Our Board of Directors and Committee members ensure all funds raised and donated stay local to enhance the places and enrich the people of this place we call home.
